

1995 ASSEMBLY BILL 740

December 12, 1995 - Introduced by Representative HANDRICK, cosponsored by Senator BRESKE. Referred to Committee on Natural Resources.

1 **AN ACT to amend** 30.204 (1) of the statutes; **relating to:** the lake acidification
2 experiment at Little Rock Lake.

Analysis by the Legislative Reference Bureau

Under current law, the department of natural resources may conduct a lake acidification project on Little Rock Lake in Vilas County by artificially acidifying the lake. Under current law, the experiment must be completed by January 1, 1996. This bill extends this date to January 1, 2002.

For further information, see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 30.204 (1) of the statutes is amended to read:

4 30.204 (1) AUTHORIZATION. Between May 15, 1984 and January 1, ~~1996~~ 2002,
5 the department is authorized to conduct a lake acidification experiment on the lake
6 specified under sub. (2).

7 (END)
